

# Smart India Hackathon 2019 – Hardware Edition

## SUPPORTING DOCUMENT

1. Title of Invention: Wireless communication using FSO in a hexagonal system

2. Date: 27 May 2020

3. Name of the Corresponding Inventor: Shailendr Shrivastav

As the Corresponding Inventor I declare that I have included all the inventors in the supporting document and I take full responsibility for the submission on behalf of all the inventors. (Kindly sign below even if you are the sole inventor)

Signature of the Corresponding Inventor: I have not signed here because I am not the sole inventor

Are you the sole inventor of the invention?

Kindly provide 'Y' or 'N' here: N

If no, kindly provide the names and signatures of all the co-inventors of your invention.

( We all are living in different cities and states so we were unable to do sign, so we uploaded our signature photograph, sorry for the excuse )
